

Southern States Realty

MLS United LLC

This inviting 3-bed, 2-bath home offers comfort and convenience with a split floor plan and large, open rooms throughout. The massive primary suite is a true retreat, featuring ample space and privacy away from the guest bedrooms. Original hardwood floors remain in several rooms add timeless character, while the private backyard with patio is perfect for relaxing or entertaining. A storage shed provides extra functionality for outdoor equipment or hobbies. Previously tenant-occupied, this property makes an excellent option for investors or future homeowners seeking space, charm, and a great in-town location.
