

Welcome to your serene country home in Jayess, Mississippi! It is a beautifully designed 3-bedroom, 2.5-bath home that sits back off the road on 10 peaceful acres blending modern comfort with rustic charm. Step inside to an open floor plan filled with natural light, stylish floating shelves along with a lazy susan and farm sink in the kitchen and inviting finishes perfect for everyday living and entertaining. The spacious layout includes a bonus room ideal for a home office, study, or flex space. Recent updates include a new AC unit, offering comfort and peace of mind year-round. Outside, this property truly shines. Relax and unwind in the hot tub or cool off in the in-ground fiberglass pool, all while enjoying the privacy of a fenced backyard. Nature lovers will appreciate the abundant wildlife that regularly visits, creating a retreat-like atmosphere. Additional features include a 20x20 workshop, a 24x12 portable building for extra storage or hobbies, and an all-paved driveway for easy access and clean curb appeal. If you're looking for space, privacy, and modern amenities with a rustic touch, this exceptional property is a must-see.
