States Realty**

67+/- acres for sale in Lasalle Parish, LA. This 67 acre tract of land has Ebenezer tap road frontage along the North boundary and has multiple homesites on it. This property is currently being used as a timberland investment. The pines on this property are approximately 20 years old and need to be thinned bringing a new landowner immediate income and the chance to layout the property how they want it. The deer and turkey hunting in this area has always been good. Call today to schedule a showing.
