

Beautiful home for sale on 4.75 acres of open land surrounded by white vinyl fencing just across the street from Fernwood Golf Course. The home is partially finished and has a brand-new architectural shingle roof. There is about 700 sq ft of finished area currently in the home and the rest is open span which can be built out as wanted. There is also additional floored unfinished attic space. This home is just waiting for someone to finish it out and make it home. The driveway is lined by gorgeous live oaks, and the house is situated back off the road. This is a very nice high-end area near the Fernwood Country Club with beautiful surrounding properties. Call today for a showing.
