Southern States Realty

38+/- acres in Rosefield, LA with Highway frontage and privacy. This property is loaded with pine and hardwood timber which could bring immediate income to the buyer. There are multiple places on this property that would make a beautiful homesite overlooking Bayou Funny Louis. The deer and turkey hunting is exceptional in this area and with the creek running through the property you could kill wood ducks and squirrels. This would make for a great campsite, investment, or even a place to build your dream home in the country. Lasalle Parish land is hard to find; especially under \$4,000 per acre. Call today to schedule a showing.
