

Welcome to Busy Corner, Amite County, MS! Where "busy" is the opposite of what this rural community offers. A peaceful area where you can drive down the road and everyone you pass gives a friendly wave, cows graze and horses frolic, this 1993 Traditional home for sale in the country welcomes you. With over 3,000 sqft, 4 bedrooms, 2.5 baths this home boasts an open den with gorgeous wood floors and a woodburning fireplace. The spacious primary bedroom with en suite bath and walk-in closet is warm and inviting with custom paint. An oversized walk-through pantry leads to the half bath and office nook with garage access and an oversized bonus guest bedroom can easily accommodate a game room/sports room. Front and back covered porches and bright, open kitchen make this prime property an ideal "country home", but with modern taste! On this lovely 2.12 acres sits an oversized 30' x 40' shop with a 14' x 40' overhang for an RV or your toys! This rural home for sale is equipped with a multi camera security system and monitor in the living room cabinet, so you can feel secure while you're away. Amite County is known for low property taxes as well, so there's even more to enjoy about the country! Come play in this quiet community and get away from the "rat race"! Within 1.5 hours from New Orleans, LA, Baton Rouge, LA, and Jackson, MS- this property is centrally located to surrounding larger cities!
