

CROSS SWAMP EAST COLLETON COUNTY, SC

123 +/- ACRES

\$553,500

PROPERTY DESCRIPTION

Located just 18 miles west of Walterboro in Colleton County, Cross Swamp East offers 123± acres of productive timberland, excellent hunting opportunities, and potential for a future homesite or recreational retreat. With a proven hunting history, established wildlife habitat, and growing timber investment, this property offers an attractive combination of recreational enjoyment and long-term investment potential.

The majority of the tract consists of approximately six-year-old planted loblolly pines, providing future timber value and excellent bedding cover for wildlife. Mature hardwood corridors wind throughout the property, creating natural travel routes and providing valuable food sources for deer, turkey, and other wildlife. The property has a history of producing quality whitetail deer and supports populations of wild turkey and small game. An established food plot is already in place, with additional areas suitable for expanding wildlife management efforts.

With approximately 1,600 feet of frontage along Cross Swamp Road and electrical power available along the road, the property offers convenient access and potential for a private residence, hunting cabin, or weekend getaway. An adjoining 150± acre tract is also available for those seeking additional acreage.
