Although the information in this report is believed to be substantially correct, neither Seller nor its representatives warrant the completeness or accuracy of the information. Each prospective purchaser should make its own determination as to timber volumes, timber quality, logging feasibility, acreage, access, and federal and state environmental and regulatory constraints relating to the use of the property and the harvest of timber therefrom. Seller, its brokers, agents and employees, make no representations or warranties, express or implied, as to the accuracy or completeness of the information contained herein or as to the property, its condition, boundaries, timber volumes, acreage, wetlands, or fitness for a particular purpose. The successful purchaser will accept the property in its present condition, "AS IS, WHERE IS, with all faults", at closing.
