### PROPERTY DESCRIPTION

Located less than 7 miles outside of Ridge Spring, this 49.8-acre tract offers a blend of privacy, recreation, and potential for future homesites in the quiet countryside of Saluda County.

The property features over 1,700 feet of paved frontage along Speigner Road, providing convenient access and multiple potential entry points. The land is comprised of a mixed stand of natural pine and hardwood, creating excellent habitat for wildlife. A wet-weather creek defines the western boundary, while two small seasonal ponds lie along the eastern edge, adding to the landscape's diversity.
