#### **PROPERTY DESCRIPTION**

Buck Branch Farm - the name says it all. Buck Branch is a large spring-fed creek that runs the length of this beautiful forested land. This property abounds in water beyond just Buck Branch - Adjacent to the Johnson Creek Recreation Area and boat launch to the North. This is 63.65 acres of mature hardwoods throughout the property. There is some good value to the timber - see attached timber estimate in docs below. The real value is the beauty of these woods - there are so many large oaks - both white and red, as well as large ash, gum, poplar, and hickory. The Seller has graded and graveled the entrance as well as the primary access road that runs along Buck Branch in the bottom. There is a large field at the entrance to the property that has been cleared and seeded with grass and wheat. This field is perfect for a camping / RV sight and eventual barndo. A shooting berm has been pushed-up at the South end of the field for safe shooting practices. A wooded ridge runs the length of the property from North to South. A road to the top has been created for easy access to the fabulous hunting areas on top. There are numerous deer stands in places and will remain with the property. There are many deer and many turkeys that live on this farm and throughout the close proximity. The boat launch and recreation area that adjoins this property are a real bonus. This is a very secluded hollow with a large creek - the peace and solitude and quietness are truly amazing. Electricity and internet are at the road. There is a newly built and very sturdy double gate at the entrance. The recreational value of this land is exceptional - less than hour from most of Nashville. It is a very short drive to Ashland City, Charlotte, and Dickson.
