PROPERTY DESCRIPTION

Welcome to 47 +/- acres in one of the best counties in Ohio to hunt whitetail! This property greets you with a gated private driveway with fresh gravel and a parking area. A new cabin was just placed and is waiting for you to turn it into your private hunting retreat. The massive trail system will help you navigate this property with ease, providing plenty of room for UTV or ATV use throughout. As you go down the main trail, you will enter the open food plot set up with a large custom elevated blind. The trail system continues to the back side of the property where the second elevated blind is located. This blind is strategically placed with a silo feeder to optimize your harvest opportunity. The back of the property offers several ridges and benchtops loaded with deer and turkey sign. The ridges surround a creek bottom that runs through the center of the property. This property was professionally designed to grow and harvest mature whitetails. Don't miss your opportunity to make endless memories with your friends and family while enjoying this beautiful property! Sellers' mineral rights convey—blinds and feeders also convey.
