PROPERTY DESCRIPTION

This 115-acre (more or less) hunting property offers outstanding deer and turkey hunting with unlimited potential in a highly private setting. Located just off Highway 17 near Iberia and convenient to the Lake of the Ozarks, the property feels remote and secluded despite its easy access.

The land features excellent trail systems throughout, several well-defined pinch points, and multiple natural stand locations that make it a serious hunter's paradise. Over 20 acres of open pasture along the creek bottom provide great feeding areas and visibility, while the remaining timbered acres offer thick cover and bedding habitat.

In addition to the strong hunting, there are several beautiful home sites with nice views and easy building potential. Whether you're looking for a full-time residence, weekend cabin, or long-term hunting retreat, this property has the layout and location to make it happen.

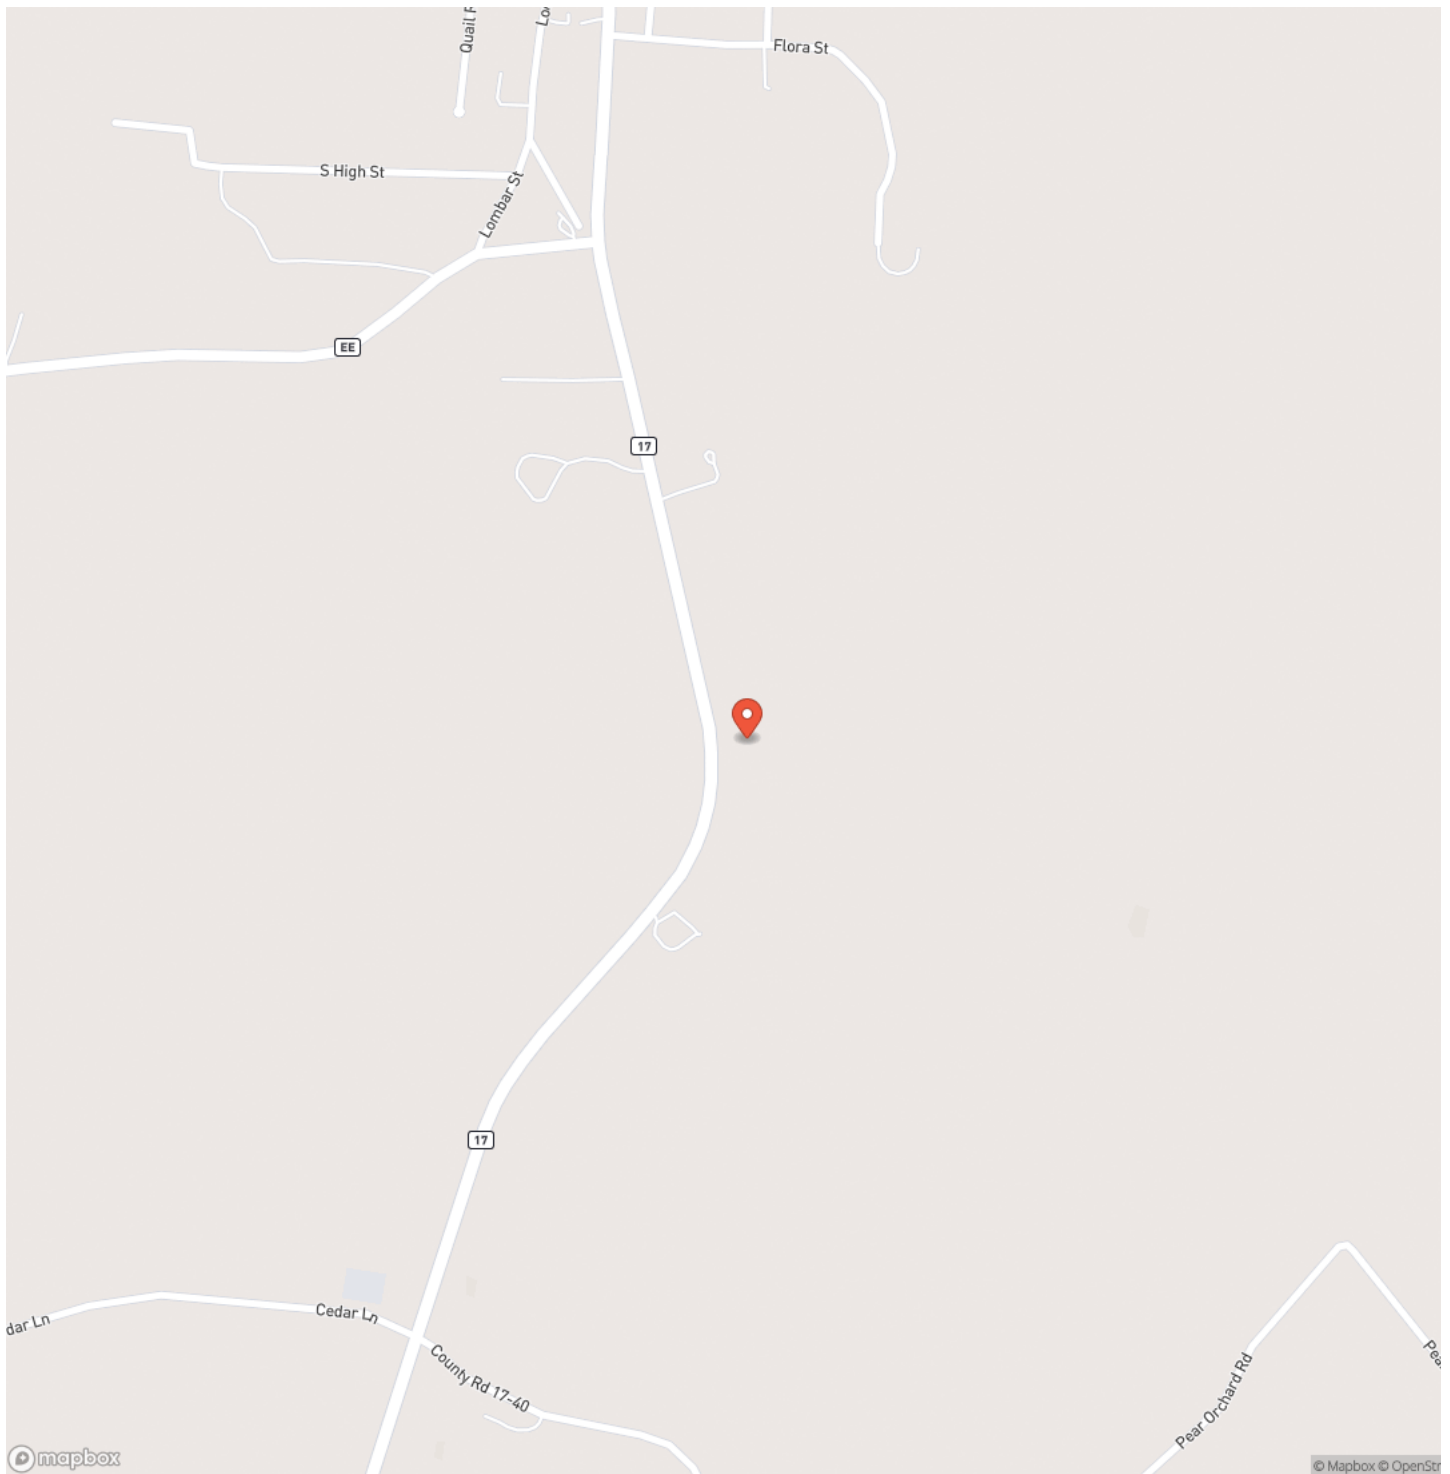

A solid, versatile tract with good trails, productive bottom ground, and privacy - ready for serious hunters or those wanting to create their own private Ozark getaway.
