PROPERTY DESCRIPTION

This property is ready to build! A professionally graded driveway is already in place, along with a large, cleared, and level homesite. Electric service has also been installed. This is the highest elevation in the area and offers incredible views of the creek bottoms below when the leaves are off—or clear a few trees for year-round views. A ridgetop runs the length of the property, with trails winding throughout. The powerline cut offers an ideal location for a food plot, and Big Branch Creek borders the north side, providing year-round water for wildlife. Deer and turkey are abundant, and the owner reports seeing them regularly right from the driveway. Many trophy bucks are known to roam the property. Located less than 90 minutes from St. Louis and under 10 miles from Gerald. Schedule a showing today!
