PROPERTY DESCRIPTION

Here's a rare opportunity to own 30 acres with endless potential, located just 5 minutes outside of Festus along Highway 67. Over 3 acres have already been cleared for a homesite, making it easy to start building right away. A private, half-mile gravel road will get you around the property with ease. The land lays beautifully with rolling topography that would be perfect for adding a private lake. Picture your dream home on the hilltop, overlooking the water and enjoying spectacular westward sunset views. Utilities are easily accessible with electric and water nearby. With no restrictions, the options are wide open—build your forever home, create a family compound, or even explore development potential. Despite its close proximity to the highway, the property feels tucked away and private once you're out on the land. Wildlife is abundant, and it wouldn't be surprising to see deer roaming the property, making it a great spot for hunting as well. The driveway sits directly across from an intersection on Highway 67, offering easy access in both directions. Sellers are also slightly flexible on property size and boundary lines, allowing you to tailor the acreage to your vision. Opportunities like this don't come around often—schedule your showing today!
