244 acres of big game paradise - 20+ acres of food plots across 5 different locations - impressive road system throughout. Call Chris Howell at [757-651-8872](tel:757-651-8872) to schedule a showing today!

Here is your opportunity to own a premier big game hunting property in the heart of Sussex County, Virginia! This property was designed to attract and hold whitetail deer and turkey. One glance at the layout and you will see how. Over 20 acres of food plots spread across 5 different locations. Hunt any wind direction! A corn and soybean rotation has been established with bumper crops each year! Cow peas are planted on soybean years for early forage and late soybeans come after. Utilize the established fields to concoct your own formula for success! This area is known for great timber production and this property is no exception. The last timber harvest was a clear cut of all but the stream side management zones. This happened in 2014 and the cutover was replanted the following year. Now you have a solid stand of 10-year-old loblolly pines. Come watch your investment grow! A deeded access road gets you in from Rt. 40. 2.8 miles of all-weather road circumnavigates the property with an additional 1.2 miles of interior roads. The road along the eastern boundary is 1.1 miles long by itself! The southern boundary is 1,089 feet along the run of Hunting Quarter Swamp and there's an additional 4,500 feet of interior intermittent streams. There are several ladder stands across the property and there is a box blind on every food plot. All stands and blinds convey with the property! The off-grid camp site is currently located on the northwest corner of the northwest food plot. There you will find two 10'x12' bunk houses that also convey with the property!

The rolling terrain on this property bears a striking resemblance to what you would find in the midwest. If you have dreams of hunting where the giants live, I strongly encourage you to jump at the opportunities this property provides. Located just minutes from I-95. Less than an hour to Richmond and less than a half hour to Emporia.
