

76.29 Acres, Callahan County

Beautiful sloping land just West of Cisco! Approximately 45 acres of cultivation, the rest of the acreage is trees & brush. Great hunting property in Callahan County where you get 2 buck tags & no antler restrictions! TONS of wildlife!!! 80+ deer have been seen at one time! Beautiful views of hills in the distance to the South. BATTLE CREEK meanders through the property! Lots of mature oaks & mesquites providing great cover for wildlife. FM 2945 is paved & runs along the South side of the property with CR 320 along the North side. Convenient location from I-20 but feels very secluded! Half of the minerals are owned & will convey. Westbound water available on the North side of FM 2945. Electric runs along CR 320. So many possibilities with this one! Hurry, this will not last long!
