Cushing 5 Acre Tracts

Cushing, OK / Payne County

PROPERTY DESCRIPTION

5 Acre Tracts just minutes from Cushing, OK, a thriving town on the rise. With a new refinery plant coming in, the City is set to grow even more. The property's flat ground makes building a breeze, requiring minimal dirt work. Plus, there's a main waterline running along the west side and three-phase power coming in from the same direction. It's a developer's dream!

There will be a gravel road coming off highway leading down the middle of these 5 acre tracts to allow easy access. Property is staked to show property lines with survey coming soon. There will be an HOA with this property that is being created now. The main HOA limitations will be no modular home or trailer houses, and no grow houses. Power and Water will be brought to property.

When purchasing a property listed by Great Plains Land Company, a Buyer's Broker, if applicable, must be identified on first contact and must be present at the initial showing of the property in order to participate in a real estate commission. If these conditions are not met, compensation, if any, will be at the sole discretion of Great Plains Land Company.
