AIRSTRIP ACRES | 29.8 +/- acres Pulaski County with private airstrip Woodson, AR / Pulaski County

PROPERTY DESCRIPTION

29 +/- Acres with Private Airstrip | Wrightsville, Arkansas | Pulaski County

Land, Air, and Elbow Room - Some properties ask what you'll build. This one asks where you'll land.

Set along a **quiet county road southeast of Little Rock**, this 29 +/- acre tract in Pulaski County is open, level, and already earning its keep as hay ground - but the feature that stops people mid-scroll is the **private grass airstrip running the length of the field**. Fly in, taxi to your own gate, and you're home. You won't find this feature bolted onto most listings this size, and it changes what this piece of ground can be for the right buyer.

The property sits with good road frontage, easy in-and-out access, and open sightlines across the field to the tree line beyond - the kind of view that makes 29 +/- acres feel bigger than the number on paper. Cultivated fields border it on both sides, and mature timber wraps the southern edge, giving the tract a settled, established feel rather than a raw, cut-out-of-nowhere one. **See the 40 acre parcel close by with all the same potential! Area Advantages

Wrightsville sits in a quiet stretch of Pulaski County that still offers reasonable access to Little Rock and the surrounding area. Nearby advantages include:

- Peaceful, rural setting away from heavy traffic
 - Reasonable drive to Little Rock and area amenities
 - Low-density surroundings with room to spread out

Why This Property Stands Out

Open hay ground is one thing - open hay ground with its own landing strip is another. This tract offers the working value of productive pasture alongside a use you won't find on most properties this size. Between the level ground, the quiet setting, and the runway already in place, it's the kind of flexibility land buyers rarely get to choose from.
