PROPERTY DESCRIPTION

This multi use property is offering a turn key business opportunity along with a 2 bedroom, 1 bathroom, 884 sq ft home. The shop is well known for serving our community for many years as a small engine repair business. With all fixtures, parts inventory, air hose system, and tools being sold with the property, this is a great opportunity for someone to put their skills to work, pick up current customers, and fill a void that would be left. Two automatic garage doors connect the workspace from the east side to the north side and features work benches, shelving, and even a designated welding area. There is also a large store front with register, designated parts storage with lines of shelving, an office, break room, and two half bathrooms. The total shop square footage is 3,250 and the lot is 1.10 acres offering plenty of space in the back for parking, with additional garages and sheds for storage. Right next door, the home included in the sale can be used as owner occupancy or remain as a rental home for extra income. If a business is not your desire, but a big shop for personal use is, this is the place for you! The possibilities are endless. Call the listing agent for additional details or to schedule a showing.
