PROPERTY DESCRIPTION

Chinook Tract

Chinook Drive, Blair, SC

Fairfield County TM# 064-00-00-004

87.64 acres located in the remote northwest corner of Fairfield County, offering exceptional privacy and recreational appeal. Situated on a dead-end road, this tract benefits from minimal traffic and outstanding seclusion. The property is comprised primarily of naturally regenerated pine timber, with an established network of interior roads and trails providing convenient access throughout.

A 10-acre field at the entrance is well-suited for crops, while multiple small food plots and a shooting lane along a utility right-of-way are strategically positioned across the property. Natural water features include two ponds-one approximately 3/4 acre and the other 1/4 acre-along with a centrally located stream flowing through a hardwood hollow, creating an ideal and diverse wildlife habitat.

The property supports abundant wildlife, including quail, dove, deer, turkey, ducks, and fishing opportunities, offering year-round recreation for the avid outdoorsman. In addition to its recreational value, the tract is well-suited for a residential homestead, with several desirable sites for new construction, whether as a permanent residence or weekend retreat.
