This 20-acre property in southern Cabarrus County is more than just land-it is the blank canvas for the quiet, rural life you've been dreaming of.

Space to Breathe

Most of this property features gently rolling fields that were once used for farming. Whether you want to start a small homestead, keep horses, or simply enjoy the view of your own private estate, these open spaces offer endless possibilities. Tucked away on the land, you'll also find about two acres of tall, planted loblolly pines, providing a peaceful spot for shade and a home for local wildlife.

Ready for Your Dream Home

The guesswork has been taken out of the building. The soil has already been tested and determined to be suitable for a septic system for a single-family home. With 945 feet of paved road frontage, you have easy access and plenty of privacy. The land features a natural drain for rainwater, keeping the property beautiful and functional through every season.

The Best of Both Worlds

You can enjoy the "slow life" without being disconnected. This location puts you right in the heart of everything:

- Small Town Charm: Minutes away from Mt. Pleasant, Locust, and Midland.
- Weekend Fun: Short drives to Albemarle and Concord for shopping and dining.
- City Access: An easy commute to the energy of Charlotte.

Leave the noise and the crowds behind. Come stand in these fields, listen to the wind through the pines, and feel what it's like to finally have enough room to breathe. Call Jimmy Underwood today for your private tour of this exceptional property.
