6184 NORTH RIDGE LN PULASKI, VIRGINIA

Only 2 tracts separate this land from the Jefferson National Forest, strengthening both its seclusion & recreational appeal. And a spring-fed creek flows through the holler, where shaded terrain, cool air, & the sound of water trickling over well-worn rocks create a peaceful setting to unwind, complemented by a quiet landscape filled only with wind through timber & birdsong echoing across the ridges. Wildlife is abundant with deer, turkey, & bear sign, & the terrain, cover, & low-pressure environment create ideal movement corridors for hunting & recreation. Nearby, Little Walker Creek offers additional recreation with fishing just minutes away. Great location with proximity to downtown Pulaski, I-81, or a short drive to Blacksburg & Virginia Tech or Roanoke, VA.
