PROPERTY DESCRIPTION

Circle MC Ranch is a turnkey 530-acre hunting ranch in Foard County, Texas. Designed with both recreation and cattle in mind, this acreage features strategically placed blinds and feeders throughout, with good roads for accessing the land. This ranch contains ample native grasses that create excellent grazing, coupled with an ideal wooded habitat for the abundant wildlife.

Access is provided by a gated entrance with a digital lock leading down a white rock road. This entrance road is meticulously maintained by the owners with careful weed control, providing clean, attractive, all-weather access throughout the improvement area. The fully furnished home features 4 bedrooms and 2 full baths, along with all necessary appliances, providing comfortable accommodations for family or guests. Near the shop, a double-skinning rack complements a well-designed processing and work area. The 8,000 sq ft concrete slab anchors the home and shop and connects to the rock fire pit, offering the perfect place to relax and enjoy the peaceful surroundings.

Circle MC Ranch has plentiful water in a dry area of Texas. Blue Hole Creek meanders along the east side of the property, while a solar-powered water well overflows a catch tank into a pond, creating a unique oasis. The acreage also features several wet-weather creeks and multiple tanks. The perimeter fences are in excellent condition, and the land has been managed very well. Circle MC Ranch is an outstanding combo ranch with all the necessary amenities to ranch in style.
