PROPERTY DESCRIPTION

Located between Okemah and Bristow on Highway 48, this 13-acre property is the perfect spot to build your new home. The front third of the property is a wide-open pasture, currently used for hay production, while the rest of the land features beautiful, mature oak trees, cottonwoods, and a variety of other species. This area is a haven for wildlife, especially deer, and you'll find trails throughout the property, particularly along the wet weather creek and in the bottoms.

Scattered throughout the timber are open meadows, which could be cleared with some effort to create ideal food plots. The land provides both open space and natural beauty, making it perfect for those looking to enjoy both the peaceful countryside and recreational opportunities.

Rural water and electricity are readily available at the road, and the property is easily accessible via blacktop. It's also just minutes from Bristow and Okemah, and only a short drive to I-40 and I-44, offering easy access to larger cities and amenities. This is a great property for anyone looking for a rural retreat with easy access to nearby towns and highways.
