PROPERTY DESCRIPTION

A Peaceful Rural Setting

The Simpson Creek 96-1 Tract is a serene 147-acre property on Highway 66 in Central Horry County. Gentle topography makes the property suitable for a variety of land uses. Whether your interest is building your home in the country or developing a productive and therapeutic private farm, the combination of managed pine plantations and natural hardwoods offers multiple opportunities to create your ideal rural property.

A Manageable Size with Space to Roam

The Simpson Creek 96-1 Tract is an efficient timberland investment, with approximately 70% of the property available for continued pine timber production. Frontage Highway 66 and well-developed internal roads provide adequate management and recreational access. The standing timber and age-class diversity offer attractive habitats for deer and other species and give the budding tree farmer ample space to develop his craft.

Out of the Bustle but Not Out of Reach

The Simpson Creek 96-1 Tract is an easily accessible property located 3 miles north of Highway 22, and just 13 miles from Conway. Aynor and North Myrtle Beach are both 30 minutes away and Myrtle Beach is less than 30 miles.
