#### **PROPERTY DESCRIPTION**

The Bucks 3-1 is a beautifully situated 359.33 +/- gis-acre property lying southwest of Conway and is one of the more extensive property offerings in the area. Located along Hunting Swamp with gentle topography, the property offers plenty of opportunities for converting to pasture or establishing game patches. The mature planted pines and bottomland provide excellent waterfowl, deer, and wild turkey habitats and perfectly complement the neighboring properties. The interior road system gives excellent access to future recreational development.

While you may choose to hunt on the property, the Bucks 3 is a functioning timberland investment. With over 65% of the 359.33 +/- acres occupied by mature pine plantations, the property is a very efficient timberland investment. Good internal access, proximity to major highways, and excellent topography make the property an attractive site for marketing timber. Proper site preparation, seedling selection, and establishment have resulted in a healthy stand of trees ready for you to assume the manager role.
