PROPERTY DESCRIPTION

Just outside the city limits of Jonesboro the flat farm ground gives way to beautiful rolling hills and patches of timber. It's in these hills that the 76 acre Jonesboro Homestead makes it's footprint. When you pull off the paved road you feel like you're leaving all the hustle and bustle of the world behind as the pasture greets you and you start making your way through the property to the house and shop. There are some picturesque oak trees on this place...the kind you see in a painting or a movie scene. The wildlife is thriving too. If you aren't seeing deer, you are seeing deer sign. Scrapes and rubs are everywhere. The place is loaded with turkeys too. A farm just isn't complete if you dont have a pond and shop. This one checks both boxes. The shop is a 50 x 100 red iron shop with 50 x 50 of it being enclosed. Give us a call to schedule an appointment. You wont be disappointed.

DISCLAIMERS

Information in this brochure is provided solely for information purposes and does not constitute an offer to sell or advertise real estate outside the states in which broker or agent licensed. The information presented has been obtained from sources deemed to be reliable, but is not guaranteed or warranted by the agent, broker, or the sellers of these properties. This offering is subject to errors, omissions, prior sale, price change, correction or withdrawal from the market without notice. All references to age, square footage, income, expenses, acreage, carrying capacity, and land classification, etc. are approximate. Prospective buyers are chargeable with and expected to conduct their own independent investigation of the information and the property and to rely only on those results. Sellers reserve the right to accept or reject any and all offers without liability to any buyer or cooperating broker.

Maps are provided for illustration purposes only, the accuracy is not warranted. Parcels on interactive maps are not adjusted to match aerial backgrounds. This information is for reference purposes only and is not a legal document. Data maps contain errors. The seller and seller's agent are making known to all potential buyers that there may be variations between the location of the existing fence lines and the legal description of the deeded property. Seller and seller's agent make no warranties with regard to the location of the fence lines in relationship to the deeded property lines, nor does the Seller make any warranties or representations with regard to the specific acreage contained within the fenced property lines. Seller is selling the property in an "as is" condition, which includes the location of the fences as they exist. Boundaries shown on the accompanying maps are approximate, based on county parcel data. The maps are not to scale. The accuracy of the maps is not guaranteed. Prospective buyers are encouraged to verify fence lines, deeded property lines and acreages using a licensed surveyor at their own expense.
