Bayou Bartholomew 365
White Hall, AR / Jefferson County

PROPERTY DESCRIPTION

Bayou Bartholomew 365 is a recent clear cut timber tract is located in Jefferson County, AR just west of White Hall & Pine Bluff. With frontage on Hardin Reed Rd, the property has great access as access to utilities. With the timber harvest (2022), there's miles of logging roads and trails littered throughout the property...whether you decide to use them to navigate from A to B, or use them for a shooting lanes. While on the property, I came across tons of deer and turkey tracks. As seen in the aerial photos, both timber along the banks of Bayou Bartholomew as well as some scattered young pine still stands on the property. Plenty of roost turkey trees! This one is a great hunting tract that will only improve as the natural regeneration continues to grow back up. One could look at it as a blank canvas for manipulation (roads, food plots, etc.) during the early stages, or decide to plant it back in pine plantation. An additional 215 acres +/- can be purchased to the south.

Also shown are pictures I took on my first visit in August to give an idea of the amount of browse and bedding this property offers to deer, turkey, and other critters using the property. Take advantage of the opportunity to decide the fate of what this one looks like in the years to come...you'll be glad you did!
