PROPERTY DESCRIPTION

Welcome to 75+/- acres in Ottawa County, where productive farmland, exceptional hunting habitat, and breathtaking homesite potential come together on one beautiful property. From productive pasture to mature timber, this property offers a little bit of everything. A live creek winds through the land, while secluded meadows tucked among the trees create excellent opportunities for recreation, livestock production, or a future homesite. A water tap is already on the property, and electricity is available at the road, making it ready for future development. The land features Class III and better soils in the two main pastures to the north, providing an ideal setup for grazing opportunities. A section of Shawnee Branch Creek flows through the center of the property, offering fishing opportunities. Towering hardwoods line the creek bottom, where a lush carpet of natural clover provides an outstanding food source for deer and other wildlife throughout much of the year. Hunters will immediately recognize the potential this property offers. A highline cut provides an ideal travel corridor and natural stand location with excellent visibility, while the secluded hay meadows surrounded by timber are perfectly positioned to be converted into destination food plots. The combination of quality bedding cover, abundant natural forage, water, and openings creates everything needed to attract and hold mature whitetails. Whether you're looking for a productive hay operation, a future homesite, a recreational getaway, or an investment in northeast Oklahoma, this Ottawa County property offers the versatility and natural beauty that's becoming increasingly difficult to find. Its prime location is just 20+/- miles from Grove, Oklahoma, on Grand Lake O' the Cherokees, offering excellent boating and fishing opportunities, 8+/- miles from Seneca, Missouri, and only 20+/- minutes south of the Kansas state line. All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Chuck Bellatti at [\(918\) 859-2412](tel:9188592412).
