PROPERTY DESCRIPTION

Located in Haskell County, Oklahoma, this massive 1,554.76±acre recreational tract offers a rare opportunity to own a vast stretch of mountainous land just minutes from Eufaula and Eufaula Lake. The property features dramatic changes in elevation, diverse topography, and panoramic views of the surrounding terrain. Covered entirely in thick timber and natural cover, the landscape remains largely undeveloped, creating a remote setting ideal for recreation and hunting. Throughout the property, you'll find numerous ponds and multiple wet weather creeks, providing strong water sources that support the local wildlife. The dense timber, abundant cover, varied terrain, and scattered food sources make this a prime habitat for deer, turkey, and small game. A gated entrance leads into the property via a private easement, and multiple cleared trails—some drivable—allow easier access to various areas of the land. While most of the property is wooded, there are a few well-positioned clearings that are perfect for food plots or future setup locations. Conveniently located just 25±minutes from Eufaula and Eufaula Lake, 45±minutes from McAlester, 1 hour from Henryetta, and approximately 1 hour and 45±minutes from Tulsa, this property offers a massive recreational escape with accessibility to nearby towns and cities. Whether you're looking to establish a premier hunting destination, a secluded getaway, or simply invest in a large piece of Oklahoma's scenic land, this property delivers unmatched size, qualities, and opportunity. All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Jay Cassels at [\(918\) 617-8707](tel:9186178707).
