Water-Rich Hunting Property Okmulgee, OK / Okmulgee County

PROPERTY DESCRIPTION

Located in Okmulgee County, Oklahoma, this 240 +/- acre property offers the kind of seclusion that's becoming harder to find. Accessed by an easement and tucked well away from nearby homes, this property has been left largely untouched for years, creating exceptional habitat for wildlife. With one large open pasture surrounded by timber, there is plenty of room to establish food plots, set feeders and blinds, or create your own hunting camp. The property is loaded with water. A distributary winds through the southeast part of the property, while numerous wet-weather creeks snake through the timber, creating natural travel corridors for wildlife. A marshland area on the west side of the property provides additional habitat for waterfowl, and the abundance of water throughout the property helps attract and hold wildlife year-round. Outside of the main clearing, the property is almost entirely covered in timber, providing outstanding bedding cover and security for wildlife. Well-defined game trails can be found throughout the property, showing just how heavily deer use the area. Whitetail deer, hogs, turkeys, and waterfowl all call this property home, making it an excellent recreational tract for hunters looking for a property with diverse habitat. The sellers are currently working to improve access into the property, making it even easier to reach the interior of the tract while maintaining the privacy that makes this property so unique. This property is located just 25 +/- minutes from Okmulgee, 54 +/- minutes from Tulsa, and 1 hour 35 +/- minutes from Oklahoma City. If you're looking for a secluded hunting property with exceptional habitat, abundant water, and the ability to consistently hold wildlife, this is a tract you'll want to see. All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Zac Williams at [\(918\) 261-6094](tel:9182616094).
