Welcome to an exceptional opportunity between Goldsboro and La Grange, North Carolina! This expansive 86.69-acre parcel is an outstanding investment for those seeking versatile property with significant potential. Located on Lagrange Road and just 15 minutes from the heart of Goldsboro, this tract offers both the tranquility of rural living and the convenience of nearby amenities.

This is a rural haven that is ready for your outdoor adventures. The entire property is wooded with 15-year natural regrowth loblolly pine. There is a cleared lane and an open area in the center of the property, along with many deer trails throughout. There were clear signs of heavy deer traffic along with several rubs on the young timber (as shown in the pictures).

With 50 feet of road frontage, this property meets the minimum standards for a subdivision. This access ensures privacy and seclusion while maintaining excellent ingress and egress. Additionally, a 6-inch water line is conveniently located on the road, providing a sufficient water supply for future development or improvements. The entire property is high and dry above the FEMA 500-year and 100-year floodplain, and there are no designated wetlands present.

With its expansive size and excellent location, the property is suitable for a wide range of uses. Whether you envision developing a residential subdivision, creating a private estate, building a family homestead, hunting the excellent Wayne County wildlife, or simply holding the land for its timber value, this tract accommodates diverse possibilities. The proximity to Goldsboro, with its employment opportunities, shopping, and dining, enhances the appeal for residential or recreational development.
