Howard, KS / Elk County

PROPERTY DESCRIPTION

Large shaded corner lot with lots of mature trees and interesting landscaping. This older home, built in 1900, is waiting for your finishing touches. Well laid rock fireplace greets you when you enter the living room. A combination of native stone and wood floor finishes the room. The one time garage has been converted into a large family room. The kitchen has a small area for eating. Two nice size bedrooms that share a full bath are on one end of the house while the master bedroom with its own bath is on the other end. The master bedroom has its own door to the spacious back yard that shows signs of once having been loved with a variety of landscaping skirting the house. Most of the flooring have the older hard wood. Some new Pella windows have been added on the east side of the house. The house has some of its needed supplies to make it beautiful again included in the purchase.
