PROPERTY DESCRIPTION

This amazing hunting property is set up to produce pheasants, ducks, deer, and more. Currently enrolled in a Wetland Deeded Land program that supports the growing and raising of wildlife for years to come. The land is managed by a designated Long-Term Manager, presently Tetonka Mitigation. They take care of the property by spraying noxious weeds, haying roughly one-third annually, and ensuring they are following the Corps Engineers' direction and guidance. As an owner, you get to simply show up and hunt on this managed property. Two ponds provide water to the wildlife. Located only 30 minutes from Sioux Falls, you can harvest your limit of pheasants and be back to your man cave in time to watch your favorite NFL game. This property is located at the intersection of 250th and 461st Ave, or 3 miles west of Colton, SD, and then 2 miles south on the east side of the road.
