Land for sale in Lampasas County - Smith Ranch 45 acres

Lampasas, TX / Lampasas County

PROPERTY DESCRIPTION

Smith Ranch hunting, fishing and recreational property. A rare find in the western part of Lampasas County is this 45 acre get-a-way in secluded Smith Ranch. Drive west out of Lampasas through the Lampasas Cut plains and watch the landscape transition into the gateway of the Hill Country at scenic Smith Ranch. This unique offering is improved with an approximate 770 +/- sq ft cozy, full amenity cabin, older single wide manufactured home, small storage shed with converted walk in cooler, metal building storage and carport. Land is moderately covered in live oak, cedar, mesquite, white brush, persimmon and pear. Excellent hunting opportunity with an abundance of deer, hogs with an occasional exotic, turkey and varmint. Off site is beautiful Colorado River and Yancey Creek with access to 7 designated locations in private Smith Ranch. Take the jeep, 4 wheeler, side by side or truck on the big, scenic main road down to Spring fed Yancey Creek or Colorado River and enjoy the excellent catfish and bass fishing along with one of the state's best spring white bass run. This is one awesome, unique yet extremely remote property!

NOTE: This property is not on the river but has Smith Ranch community access to seven "Common Areas" designated along a 4-5 mile stretch of the Colorado River and spring fed Yancey Creek. The Colorado River and Yancey Creek offers excellent fishing, swimming and water activities.

Smith Ranch is a private ranch located on the western edge of Lampasas County. Access into Smith Ranch is by locked gate with keys issued to landowners within the ranch. Property sizes range from 5 acres along the river on up to several hundred acres off the river. All landowners within Smith Ranch have deeded access to seven "Common Areas" along the Colorado River.
