1.55 acres of Residential Land For Sale in Beaufort County, NC! Featuring 186+/- feet of road frontage on Highway 306, this unique property is situated just on the edge, BUT outside of Aurora's city limits, offering all of the benefits to living in a rural area without the extra stress. If you have been looking for a property to build your dream home not too far from town, this may be the ideal location for you!

The property's timber consists of a mix of hardwoods and pines, and a small clearing can be located towards the back side of the property, near the western property boundary. Though this acreage offers great potential for a rural, yet convenient home site, no soil evaluation has been conducted; buyers are encouraged to assess the land's suitability for their intended use.

Due to its proximity to Bailey Creek, the very northwest corner of the property boundary may experience surface water/wetland (this a very small area). About 2/3 of the property (the eastern and western portions of the property) is encompassed in the FEMA 100-year floodplain, and about 1/3 (the center/southern portion of the property) lies within the FEMA 500-year floodplain.

From the property, you are about 16 minutes from Grantsboro (14.5 miles), 28 minutes from Chocowinity (25 miles), 30 minutes from Vanceboro (24 miles), and 33 minutes from New Bern (29 miles).
