This large, diverse property offers the rare combination of excellent wildlife habitat, established hunting infrastructure, multiple water sources, and comfortable lodging, making it a true turn-key ranch in the heart of Southeastern Oklahoma. The ranch is made up of rolling timbered ridges, creek bottoms, open native grass areas, and multiple ponds, creating outstanding habitat for wildlife. The area is well known for phenomenal whitetail deer hunting, and the property has a strong history of producing great deer. The ranch is already set up with numerous blinds and feeders throughout, allowing the next owner to step in and enjoy hunting immediately. In addition to deer, the ranch supports a healthy population of Eastern wild turkeys, providing even more hunting opportunities. The ranch is primarily covered in mature timber, offering excellent bedding cover and travel corridors for deer. Scattered throughout the ranch are open pockets of native grasses and clearings that are ideal food plot locations, allowing the property to be further enhanced for wildlife management. A creek system runs through the ranch that holds water, and there are multiple ponds across the property, providing dependable water sources that help attract and hold wildlife year-round. A well-developed trail system runs throughout the ranch, making it easy to access different areas of the property by side-by-side or ATV. The diverse terrain and topography create natural funnels and hunting setups while also providing beautiful views and varied landscapes. In addition to the excellent habitat and hunting setup, the ranch includes great improvements that make it a true hunting retreat. The main lodge (40x40) features a beautiful kitchen with a large island, spacious living room, two bedrooms, and a luxurious bathroom, along with covered front and back porches that create the perfect place to relax after a day outdoors. A second living quarters building (40x60) provides additional space for guests with a kitchen, large open gathering area, three bedrooms, and a bathroom, along with a large covered outdoor hangout area and front porch.
