Eastern Spur Farm Clayton, OK / Pushmataha County

PROPERTY DESCRIPTION

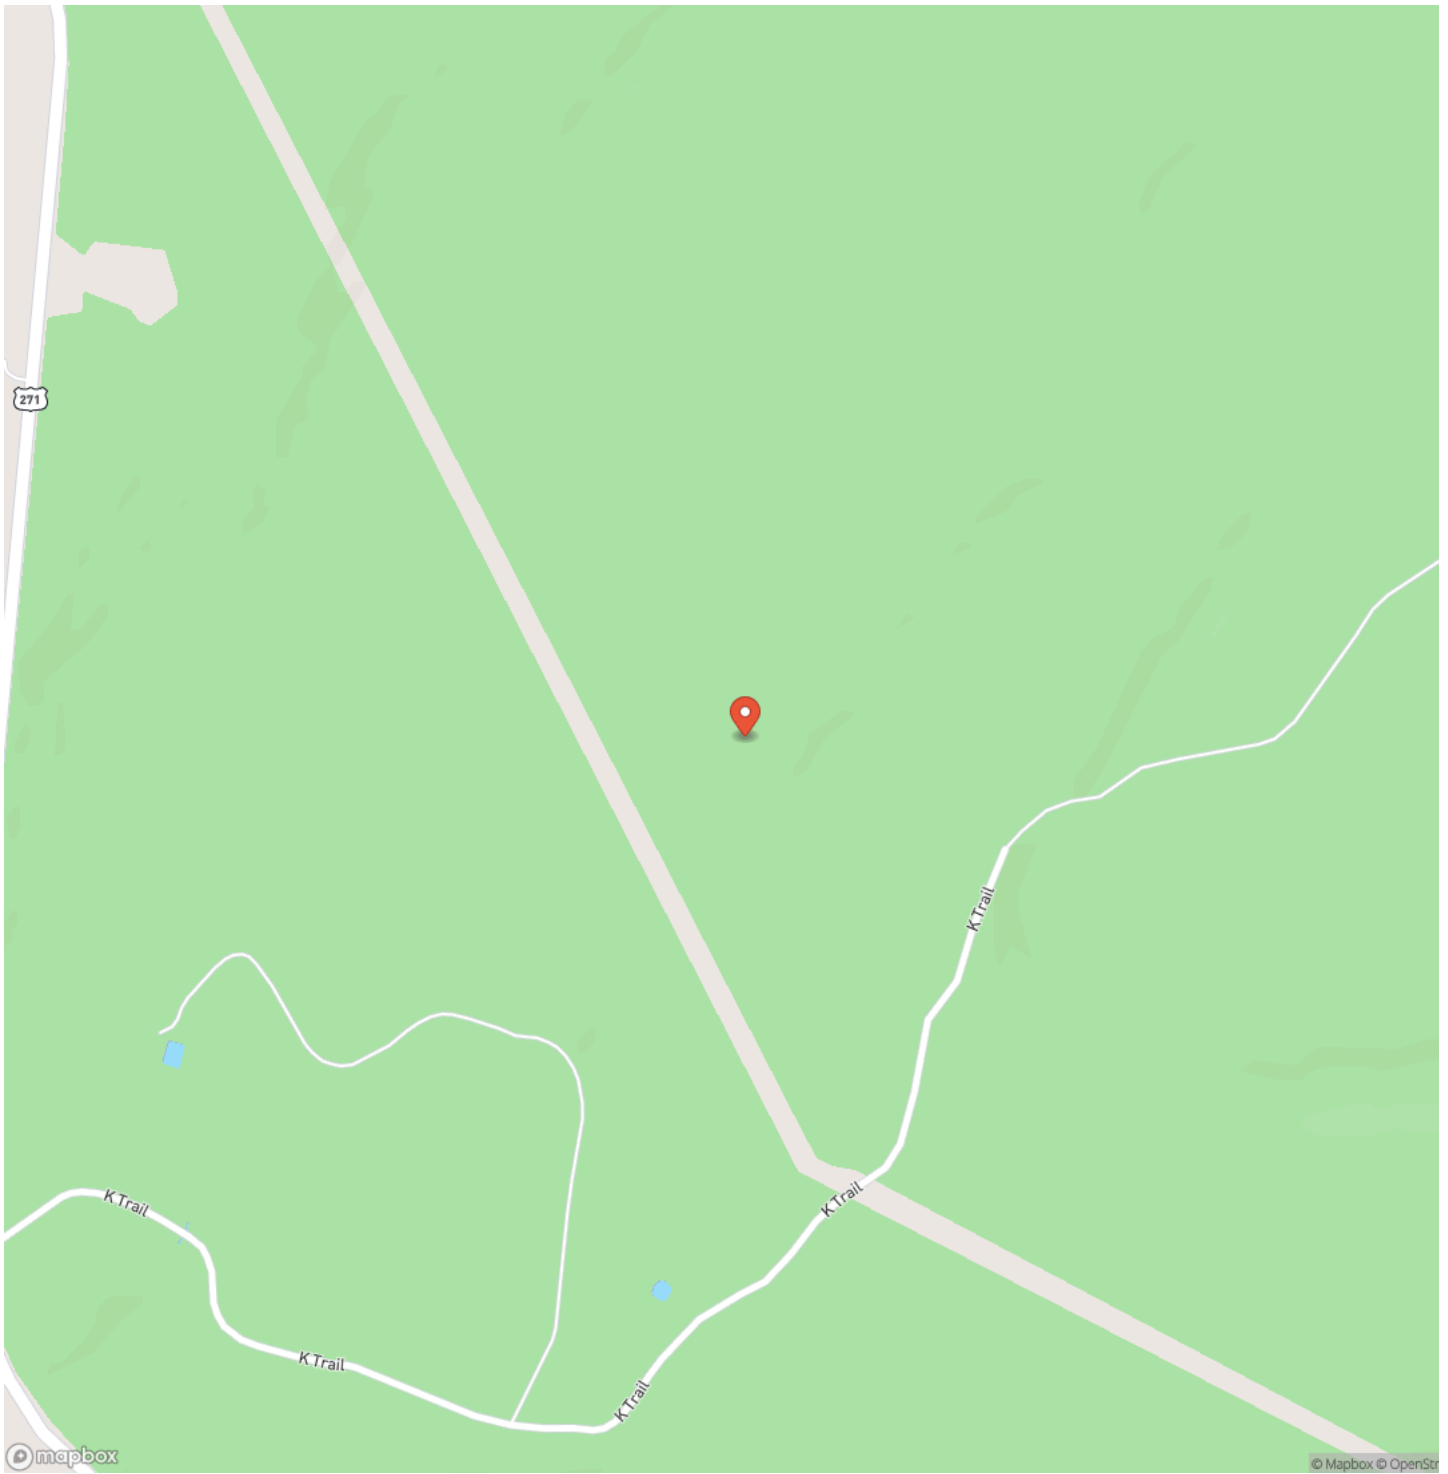

Tucked away in the rolling terrain of Pushmataha County, this 140+/- acre hunting property offers everything serious outdoorsmen look for in Southeast Oklahoma! The topography is one of its strongest features, with natural elevation changes, ridges, and draws that create ideal travel corridors and bedding areas for whitetail deer. These terrain advantages not only enhance huntability but also allow for strategic stand placement with favorable wind options. A healthy mix of mature pine and oak timber provides excellent cover and year-round habitat for wildlife. The hardwoods provide acorn production, while the dense pine stands create security and thermal protection. The creek bottoms wind through the tract and serve as natural funnels. In addition to outstanding deer hunting, the property also supports strong populations of Eastern wild turkeys, making for exciting spring hunts. The trails on the property make it navigable by side-by-sides and ATVs. Eastern Spur Farm stands out as a premier hunting farm in Pushmataha County! The farm is located just 17+/- minutes from Clayton and Sardis Lake, 1 hour and 5+/- minutes from Atoka, 2 hours and 35+/- minutes from Tulsa, and just over 3 hours from Dallas. All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Owen Bellis at [\(918\) 367-7050](tel:9183677050).
