Property Description: Very well maintained Kuhns Brothers country log home just minutes from the Kansas City Metro! Discover magnificent craftsmanship and tranquility nestled on 53+/- acres at the end of a tree lined drive, and behind a security gated entrance. Nearly all views are of the picturesque well-manicured pond. You can quickly visualize your mornings sitting on the deck enjoying coffee and a good book while deer feed on the far side of the pond. Your days can end with the same relaxation in the outdoor entertainment area with your favorite sports team playing on the flatscreen, enjoying the evening meal and cocktails while surrounded by calming views and wildlife. The home has 4 bedrooms, 3.5 bathrooms, plus a nonconforming bedroom in the finished walkout basement. In addition to the 3,280 square feet of living area the 60' X 30' shop has 1,100 square feet of guest quarters that include a kitchen, full bath, half bath, rec room, and bedroom with deck. The home and detached quarters provide plenty of room to accommodate a large family, or for memorable family gatherings. This dream property would make for a great family home, corporate retreat, or air bnb.

The land hasn't been hunted in years! There are small open meadows divided by trees and a creek that passes across the property. The open meadows could quickly be transitioned into wildlife food plots for a excellent deer and turkey hunting property right out your backdoor. There is approximately 10 acres that could be tilled up and farmed. The mature timber is great for roost trees for the turkeys and great bedding for the whitetail deer. This farm hunts big and has plenty of pockets to set treestands to play the wind.

The pond is just right out the back door and is just shy of an acre in size. It is fully stocked, has a nice dock, a waterfall, and is race ready for its new owners to make a lifetime of memories!
