PROPERTY DESCRIPTION

ADDITIONAL WATER SHARES AVAILABLE

We are pleased to present the exclusive listing of the Mountain States Equine Clinic and Breeding Facility with 77.02 frontage acres located just North of Hobbs in Lea County, New Mexico. This is a wonderful opportunity to obtain a remarkable property with great facilities, infrastructure, and incredible potential.

Location:

Located roughly 11 miles North of Hobbs, the Mountain States Equine facility is located on W Pinson Street off N Bensing Road. Just 8 miles from the Zia Park Casino Hotel and Racetrack, this phenomenal location is close enough to town for convenience, but far enough away to feel like a true country.

Water:

The Mountain States Equine facility features water from multiple sources for various uses. The pivot is supplied with an irrigation well with an estimatedT 400gpm located on the western edge of the property. In addition to the wells, the property has 77 shares of water rights that will convey with an acceptable offer, an important commodity in this part of the world.

Improvements:

The improvements on this property must be seen to believe, and give potential buyers true turnkey operation potential. There are three sets of horse stalls, one is 12x16 (x20), one is 12x20 (x8), and the last one is 12x12 (x24). There are 12 stalls in the red barn, five stalls that are 12x12, five stud stalls that are 12x16, and two foaling stalls that are 12x24, all currently being utilized for the vet clinic. The show barn for cattle is a 50x60, and has a total of 9 stalls, including one with an exterior run attached. In addition to stalls, there are roughly 3.25 acres worth of pens, separated into four divisions. The southernmost pen features stadium lights, and is also equipped with a round pen inside of it. A sprinkler system runs throughout each of the pens, keeping dust at a minimum and upkeep manageable. Next to the South pen and round pen is a 6 arm horse walker. No horse facility would be complete without a racetrack, and the Mountain States facility is no exception. A 5/8 mile fiberglass track is located on the North side of the facility, giving riders an ample opportunity to train and fine tune their craft. Feed is also no issue for this facility, as it is furnished with a 3 tower (roughly 16 acre) 2000's model Zimmatic pivot. Alfalfa was planted in October of this year. Two additional towable pivots will convey with property, but neither are currently in use. The 77.02 Acres offer plenty of room for the buyer to build a homestead.

Minerals:

The owner is not aware of any mineral interests presently owned.

Price:

The Mountain States Equine Facility is being offered at \$740,000.

Notes: Buyer is encouraged to conduct their own due diligence prior to purchasing. All info listed above is according to the best

knowledge of the seller and other relevant sources. The TX Real Estate Group will not be held liable for any information found to be inaccurate during or after closing the buying process. DISCLAIMERS

Information in this brochure is provided solely for information purposes and does not constitute an offer to sell or advertise real estate outside the states in which broker or agent licensed. The information presented has been obtained from sources deemed to be reliable, but is not guaranteed or warranted by the agent, broker, or the sellers of these properties. This offering is subject to errors, omissions, prior sale, price change, correction or withdrawal from the market without notice. All references to age, square footage, income, expenses, acreage, carrying capacity, and land classification, etc. are approximate. Prospective buyers are chargeable with and expected to conduct their own independent investigation of the information and the property and to rely only on those results. Sellers reserve the right to accept or reject any and all offers without liability to any buyer or cooperating broker.

Maps are provided for illustration purposes only, the accuracy is not warranted. Parcels on interactive maps are not adjusted to match aerial backgrounds. This information is for reference purposes only and is not a legal document. Data maps contain errors. The seller and seller's agent are making known to all potential buyers that there may be variations between the location of the existing fence lines and the legal description of the deeded property. Seller and seller's agent make no warranties with regard to the location of the fence lines in relationship to the deeded property lines, nor does the Seller make any warranties or representations with regard to the specific acreage contained within the fenced property lines. Seller is selling the property in an "as is" condition, which includes the location of the fences as they exist. Boundaries shown on the accompanying maps are approximate, based on county parcel data. The maps are not to scale. The accuracy of the maps is not guaranteed. Prospective buyers are encouraged to verify fence lines, deeded property lines and acreages using a licensed surveyor at their own expense.
