PROPERTY DESCRIPTION

48 Acres Tillable | Blackford County, Indiana

This 48-acre tract offers productive, open farmland in a strong agricultural area of Blackford County. The entire property is tillable and **pattern tilled**, providing improved drainage and consistent performance for row-crop production. The farm carries a **65.76 NCCPI**, supporting its solid productivity profile.

The layout allows for efficient farming with clean field lines and easy management. This is a great chance for operators looking to expand their acreage or for investors seeking dependable, income-producing farmland.

Whether you're adding acres to an existing operation or securing land as a long-term investment, this property delivers simplicity, productivity, and strong ag fundamentals.
