Pike View *at Lake Greeson*

Gorgeous Lakefront and Mountain View Lots

Located right along the shores of Lake Greeson "Pike View" is the perfect spot to build your dream cabin. The property offers lots along a ridge that provide "million dollar" views of the surrounding mountains. The lower lots join Corps land right against the lake. All lots have access to the lake. Very reasonable HOA covenants are in place to protect the beauty of the subdivision for all owners. STRs are allowed and electric is available. This is a RARE opportunity so do not delay - these lots will not last long! Call today to learn more and reserve your own slice of paradise.
