No structure in this subdivision shall be occupied until connected to an individual water supply and State approved community water system. Due to underlying water supplies and diminishing water quality, residential property owners are cautioned by the County to question the water consuming ground water availability. Reservoir collection is encouraged and in some areas may offer the best available water resources.

No structure in this subdivision shall be occupied until connected to a public sewer system or to an on-site wastewater system which has been approved and permitted by Hays County Development Services.

No construction or other development within this subdivision may begin until all Hays County development permit requirements have been met.
