PROPERTY DESCRIPTION

Secluded 40 acre tract bordering National Forest. With easy access and electric close by, this is a perfect spot to build a cabin or start a deer camp. Very private setting. Access and electrical easement in place. Wet weather creek runs through the southern end of the property. Primarily mature hardwoods with a little pine. Good trail system. Flat area just as you enter the property would be a good spot to build, but otherwise pretty steep terrain. Don't miss out on this one!
