PROPERTY DESCRIPTION

Introducing the Rock Canyon Ranch, a truly unique 314.4 +/- acre property located in Young County, Texas, which presents outstanding opportunities for rural living, cattle production, recreation, and outdoor opportunity. With approximately 125+/- feet of elevation change throughout the ranch, this property showcases scenic views, rolling terrain, and the natural beauty that makes North Texas such a desirable place to call home. Entering the property through a gated entrance, down a long well-maintained gravel drive sits a beautiful 1,800 +/- square foot home featuring two bedrooms and two bathrooms. The home comes fully furnished, allowing the next owner to immediately settle in and begin enjoying the peaceful surroundings this ranch provides. With large living room windows and sliding doors, the home lets in lots of natural light making the interior incredibly inviting. Arguably the most impressive standout feature of the entire property is the view you have overlooking the property right off the back deck of home! This view allows you to watch the sunrise as the property comes alive with wildlife or enjoy a relaxing night around the fire! A spacious 900 +/- square foot attached garage offers plenty of room for vehicles, equipment, and additional storage, while adding convenience for everyday country living. The ranch has been thoughtfully developed with improvements designed for both functionality and long-term enjoyment! A 30x40 insulated shop provides an excellent workspace for equipment storage, projects, or ranch necessities. A private water well producing approximately 35 +/- gallons per minute supplies a reliable water source for the home, livestock, and overall ranch operations. Another great feature on the property is an outdoor dog kennel. Having served as a Longhorn cattle ranch for the past 30 years, Rock Canyon Ranch has been carefully maintained with livestock production and ranch functionality in mind. The property is fully fenced with cross fencing, allowing for efficient cattle management and multiple grazing opportunities. Approximately 75 +/- acres of open pasture provide valuable forage for livestock, while the remaining landscape offers a diverse mix of terrain that creates excellent recreational opportunities and wildlife habitat. Water is one of the defining features of Rock Canyon Ranch, with five stocked ponds strategically located throughout the property. These ponds provide excellent fishing opportunities for bass, bluegill, and catfish while adding to the overall character and beauty of the ranch. Running through the center of the property is Plum Creek which provides the potential for another water source as well as a great travel corridor for deer and other wildlife, further enhancing the hunting opportunities! The combination of water, pasture, and varied terrain creates an ideal environment for wildlife, including whitetail deer, turkey, hogs, dove, and other native Texas species. Whether you enjoy hunting, fishing, wildlife watching, or simply spending time outdoors with family and friends, this ranch offers countless opportunities to enjoy the land! Access is exceptional with approximately 2,350 +/- feet of Highway 16 frontage. Beautiful pipe and cable fencing enhance the property's appearance, while an electric gated entrance provides a welcoming first impression. The ranch's convenient access allows owners to enjoy the privacy of country living while remaining easily connected. Near the entrance of the property stands working cattle pens for efficient cattle operations. Rock Canyon Ranch represents a rare opportunity to own a property that has been cared for and improved over decades. From the established Longhorn cattle operation and productive pastures to the stocked ponds, abundant wildlife, and comfortable home, this ranch offers the combination of agricultural potential, recreational opportunity, and Texas ranch living! Properties with this level of versatility, character, and history are becoming increasingly difficult to find! Don't miss your chance to make the Rock Canyon Ranch yours! There is an existing survey of the property and it is as is except. Mineral rights are not owned by the seller and will not convey.
