PROPERTY DESCRIPTION

Discover 100± acres of scenic, rolling terrain in Latimer County, where dramatic elevation, panoramic views, and true privacy converge in one exceptional tract. Situated near the community of Bengal and positioned along the Latimer/LeFlore County line, this property enjoys a highly desirable Southeast Oklahoma location. Just west of the stunning Winding Stair Mountains, it offers the perfect balance of seclusion, natural beauty, and recreational opportunity—whether you're seeking a hunting retreat, weekend escape, or long-term land investment.

With over 200 feet of elevation change, the terrain creates stunning vantage points and natural travel corridors that wildlife frequent. The combination of rolling ridges, timber, and diverse habitat makes this an outstanding hunting property with excellent potential for whitetail deer and other native game. Whether you're looking to establish a dedicated hunting retreat, create weekend ATV trails, or simply enjoy the peace and quiet of rural Oklahoma, this tract delivers the space and setting to do it all.

There are currently no utilities on site, enhancing the off-grid appeal, but two existing dry cabins provide a ready-made base camp for hunting season or recreational getaways. Use them as-is or improve the property to match your long-term vision.

Large-acreage tracts with this kind of topography and privacy are becoming increasingly hard to find at a competitive price. If you've been searching for a premier recreational or hunting property in Southeast Oklahoma, this is one you'll want to see.
