### **PROPERTY DESCRIPTION**

Secluded and scenic, Yourman Road 720 is tucked away right in the heart of Latimer County, Oklahoma. Located just east of the Yourman Wildlife Management Area, this rare property offers exceptional hunting, breathtaking views, and privacy. Encompassing 720± acres, the land sits roughly 4 miles down a gravel road from the paved Highway 2. There is a long history of mature bucks taken on this property over the years.

The land features a diverse mix of hardwood and pine, open meadows, and multiple established food plots planted in wheat, buckwheat, turnips, and more—keeping whitetail deer, turkey, and plenty of other wildlife right on the property. Set deep in the rolling hills of southeastern Oklahoma, the land has roughly 250 feet of elevation change, creating a beautiful variety of terrain with multiple vantage points and ridgelines that showcase incredible long-range views.

There are three ponds, two stocked, along with multiple small creeks that meander through the property, providing excellent water sources for recreation, wildlife, or livestock. A small studio cabin and storage shed serve as a comfortable basecamp. While no utilities are currently in place, the cabin has running water gravity-fed from a nearby pond.

An internal road and trail system covers much of the property, allowing easy access by truck or ATV. Whether you're looking for a private hunting ranch, a weekend getaway, or a long-term land investment in southeastern Oklahoma, this property offers unmatched seclusion, beautiful scenery, and outstanding wildlife habitat.
