WELCOME TO THE PIKE 120.15

IF YOU'RE LOOKING FOR A TRUE ARKANSAS RECREATIONAL TRACT, THIS 120.15± ACRE PROPERTY IN PIKE COUNTY CHECKS ALL THE BOXES. Located within the Lake Greeson Wildlife Management Area, the land sits in a proven area for wildlife and outdoor recreation, offering a rare opportunity to build a top-tier hunting property from the ground up.

The timber was recently harvested, giving the new owner a clean slate to design food plots, shooting lanes, interior roads, and trail systems exactly how they want. It's the ideal setup for replanting preferred tree species and shaping habitat to attract and hold deer, turkey, and other game common to this area.

MORE ABOUT THE PIKE 120.15

Hardwoods were left standing along the SMZ areas, providing natural travel corridors and mast-producing habitat. Multiple wet-weather springs are scattered about, along with a year-round creek that offers a reliable water source for wildlife and adds to the land's overall character.

The Pike 120.15 is the kind of place that Arkansas land buyers are always looking for—great location, strong wildlife presence, and endless potential. Whether you're managing for hunting, recreation, or long-term land investment, this Pike County property inside the Lake Greeson WMA is ready for your vision.
