MORE ABOUT 254 GROSS ROAD

Outdoor living is just as impressive—enjoy grilling, listening to music, or relaxing on the covered second-story porch or the downstairs patio, or gather around the fire pit just steps from the water's edge. For those who love the outdoors, whether you're into bass, catfish, or crappie, you can fish right off your boathouse dock, perfectly positioned within casting distance from a proven crappie hole. Explore the Warrior River at your leisure—the 25' Rivercraft pontoon boat with a Mercury 115 hp four-stroke outboard motor conveys with the property. If hunting ducks is your thing, hunt the river's timber with a short boat ride down the river.

With G's Landing less than four miles away, it's extremely convenient for your friends and family to launch their boats and attend any event you host! Perfect for entertaining, the circular driveway and covered parking area provide plenty of space for guests.

This one-of-a-kind riverfront property offers the ideal blend of comfort, craftsmanship, and connection to the water. Whether you're looking for a weekend escape or a full-time residence, this home is a solid choice.
