WELCOME TO 5 BOB WEST DRIVE

THE WAYNE 3.1 SITS ON JUST OVER THREE ACRES IN A QUIET, PEACEFUL PART OF WAYNE COUNTY, MISSISSIPPI, AND OFFERS THE KIND OF SPACE AND PRIVACY THAT'S GETTING HARDER TO FIND. Located at 5 Bob West Drive in Waynesboro, the home is a solid brick build from 1999 with more than 3,000 square feet of living area, giving you plenty of room to spread out. The layout includes multiple living spaces along with a true mother-in-law house, making it ideal for extended family, guests, or anyone needing a separate private area.

The land itself adds a lot of value. A stocked pond sits right out front and offers good fishing and a relaxing view from the home. The yard is open and usable, and the property includes a shed with a dedicated shop area, giving you space for tools, equipment, or hobby work. It's the kind of setup that works well for someone who enjoys being outdoors, tinkering, or simply having room to breathe.
